Down Down

Get down deeper and down
Down down deeper and down
Down down deeper and down
Get down deeper and down

I want all the world to see
To see you're laughing and you're laughing at me
I can take it all from you
Again again again again again again again
Deeper and down
Down down deeper and down
Down down deeper and down
Down down deeper and down
Get down deeper and down

First Riff

I have all the ways you see
To keep you guessing stop your messing with me
You'll be back to find your way
Again again again again again again again
Deeper and down
Down down deeper and down
Down down deeper and down
Down down deeper and down
Get down

Second Riff

Get down deeper and down
Down down deeper and down
Down down deeper and down
Get down deeper and down

I have found out to see
I know what you're doing what you`re doing to me
I'll keep on and say to you
Again again again again again again again
Deeper and down
Down down deeper and down
Down down deeper and down
Down down deeper and down
Get down

Second Riff

End Riff
