

Girls Talk

There are some things you can't cover up with lipstick and powder
But I heard you mention my name, can't you talk any louder ?
Don't come any closer, don't come any nearer
My vision of you can't come any clearer

Oh, I just want to hear girls talk

Got a loaded imagination being fired by girls talk
It's a more or less situation inspired by girls talk
But I can't say the words you want to hear
I suppose you're going to have to play it by ear
Right here

And now girls talk
And they want to know how girls talk
And they say it's not allowed girls talk,
If they say that it's so don't they think that I know by now

That the word up on everyone's lips stick that you're dedicated
You may not be an old fashioned girl but you're going to get dated
Was it really murder ? were you just pretending ?
Lately I have heard you are the living end

Girls talk

And they want to know how girls talk
And they say it's not allowed girls talk,
And they think they know how girls talk
If they say that it's so don't they think that I know by now

Guitar Solo

But I can't say the words you want to hear
I suppose you're going to have to play it by ear
Right here

There are some things you can't cover up with lipstick and powder
But I heard you mention my name, can't you talk any louder ?
Don't come any closer, don't come any nearer
My vision of you can't come any clearer
Girls talk

And they want to know how girls talk
And they say it's not allowed girls talk,
And they think they know how girls talk
Girls talk, Girls talk, Girls talk, Girls talk, Girls talk Girls, talk
Yeah yeah yeah yeah Girls talk yeah yeah yeah yeah Girls talk
