

He's Gonna Step on you again

Hey rainmaker come away from that man you know he's
gonna take away your promised land.
hey good lady he just want what you got you know he'll
never stop until he's taken the lot.

Gonna stamp out your fire he can change your desire
don't you know that he can make you forget you're a man
gonna stamp out your fire he can change your desire
don't you know that he can make you forget you're a man
you're a man he's a man.

Hey rainmaker he got golden plans I tell you
he make you a stranger in your land.
hey good lady he got God on his side he got a
double tongue you never think that he lie.

Gonna stamp out your fire he can change your desire
don't you know that he can make you forget you're a man
gonna stamp out your fire he can change your desire
don't you know that he can make you forget you're a man
you're a man He's a man.

He's gonna step on you again.
He's gonna step on you again.
He's gonna step on you again.

Hey rainmaker come away from that man you know he's
gonna take away your promised land.
