

# Neon Moon

When the sun goes down on my side of town  
That lonesome feeling comes to my door  
And the hole world turns blue  
There's a rundown bar cross the railroad track  
I got a table for two way in the back  
Where I sit alone think I'm losing you  
I spend most every night Beneath the light of a Neon Moon

Now if you lose your one and only  
There's always room here for the lonely  
To watch your broke dreams dance in and out of the beams  
Of a Neon Moon

I think of two young lovers running wild and free  
I close my eyes and sometimes see  
You in the shadows of this smoke filled room  
No telling how many tears I've sat here and cried  
Or how many lies that I've lied  
Telling my poor heart she'll come back someday  
Oh but I'll be alright as long as there's a light from a Neon Moon

Oh if you lose your one and only  
There's always room here for the lonely  
To watch your broke dreams dance in and out of the beams  
Of a Neon Moon

Guitar Break

Jukebox plays on, drink by drink  
And the words of every sad song seem to say what I think  
And it hurt inside of me aint never gonna end  
Oh but I'll be alright as long as there's a light from a Neon Moon

Oh if you lose your one and only  
There's always room here for the lonely  
To watch your broke dreams Dance in and out of the beams  
Of a Neon Moon

An watch your broken dreams dance in and out of the beams  
Of a Neon Moon  
Oh watch your broken dreams dance in and out of the beams  
Of a Neon Moon
