Weather with you

Walking 'round the room singing Stormy Weather
At 57 Mount Pleasant Street
Well it's the same room but everything's different
You can fight the sleep but not the dream

Things ain't cookin' in my kitchen
Strange affliction wash over me
Julius Caesar and the Roman Empire
Couldn't conquer the blue sky

Everywhere you go you always take the weather with you
Everywhere you go you always take the weather
Everywhere you go you always take the weather with you
Everywhere you go you always take the weather,
The weather with you

Well there's a small boat made of china
It's going nowhere on the mantlepiece
Well do I lie like a loungeroom lizard
Or do I sing like a bird released

Everywhere you go you always take the weather with you
Everywhere you go you always take the weather
Everywhere you go you always take the weather with you
Everywhere you go you always take the weather,
The weather with you

Guitar break

Everywhere you go you always take the weather with you
Everywhere you go you always take the weather
Everywhere you go you always take the weather with you
Everywhere you go you always take the weather,
Take the weather, the weather with you

Everywhere you go you always take the weather with you
Everywhere you go you always take the weather
Everywhere you go you always take the weather with you
Everywhere you go you always take the weather,
Take the weather, the weather with you
