

Please Come Home for Christmas

The Eagles

Intro Notes: A E F# C#

Bells will be ringing this sad sad news

Oh what a Christmas to have the blues

My baby's gone I have no friends

To wish me greetings once again

Choirs will be singing "Silent Night"

Christmas carols by candlelight

Please come home for Christmas

Please come home for Christmas

If not for Christmas by New Years night

Friends and relations send salutation

Sure as the stars shine above

But this is Christmas yes Christmas my dear

The time of year to be with the ones you love

So won't you tell me you'll never more roam

Christmas and new Years will find you home
